
ONTARIO · AODA · SENIOR-OFFICER-READY

AODA Compliance Certifier Pack

A senior-officer-ready evidence file — before anyone signs.

Under AODA, a senior officer of your organization certifies compliance. 1205 prepares the evidence file and remediation plan that signature should rest on.

WHAT IS IN THE PACK

- Evidence mapped to each standard area — policies, multi-year accessibility plan, training records
- Feedback and accommodation processes, accessible communications and website, procurement
- A remediation plan naming each gap, the fix, and the owner

PRICING

- AODA Readiness Check — starts at \$2,500
- Certifier Pack — typically \$5,000–\$12,000
- Complex or multi-site organizations — scoped after intake

WHAT YOU CERTIFY, WHAT WE PREPARE

- The senior officer certifies — a named person, signing their name
- 1205 assembles the file behind the signature so the picture is complete and reviewable

Boundary: 1205 does not certify, issue, or guarantee AODA compliance and does not provide legal advice. The senior officer certifies. Confirm your reporting deadline with counsel or the Government of Ontario.
